The Commission must give effect to such directions.

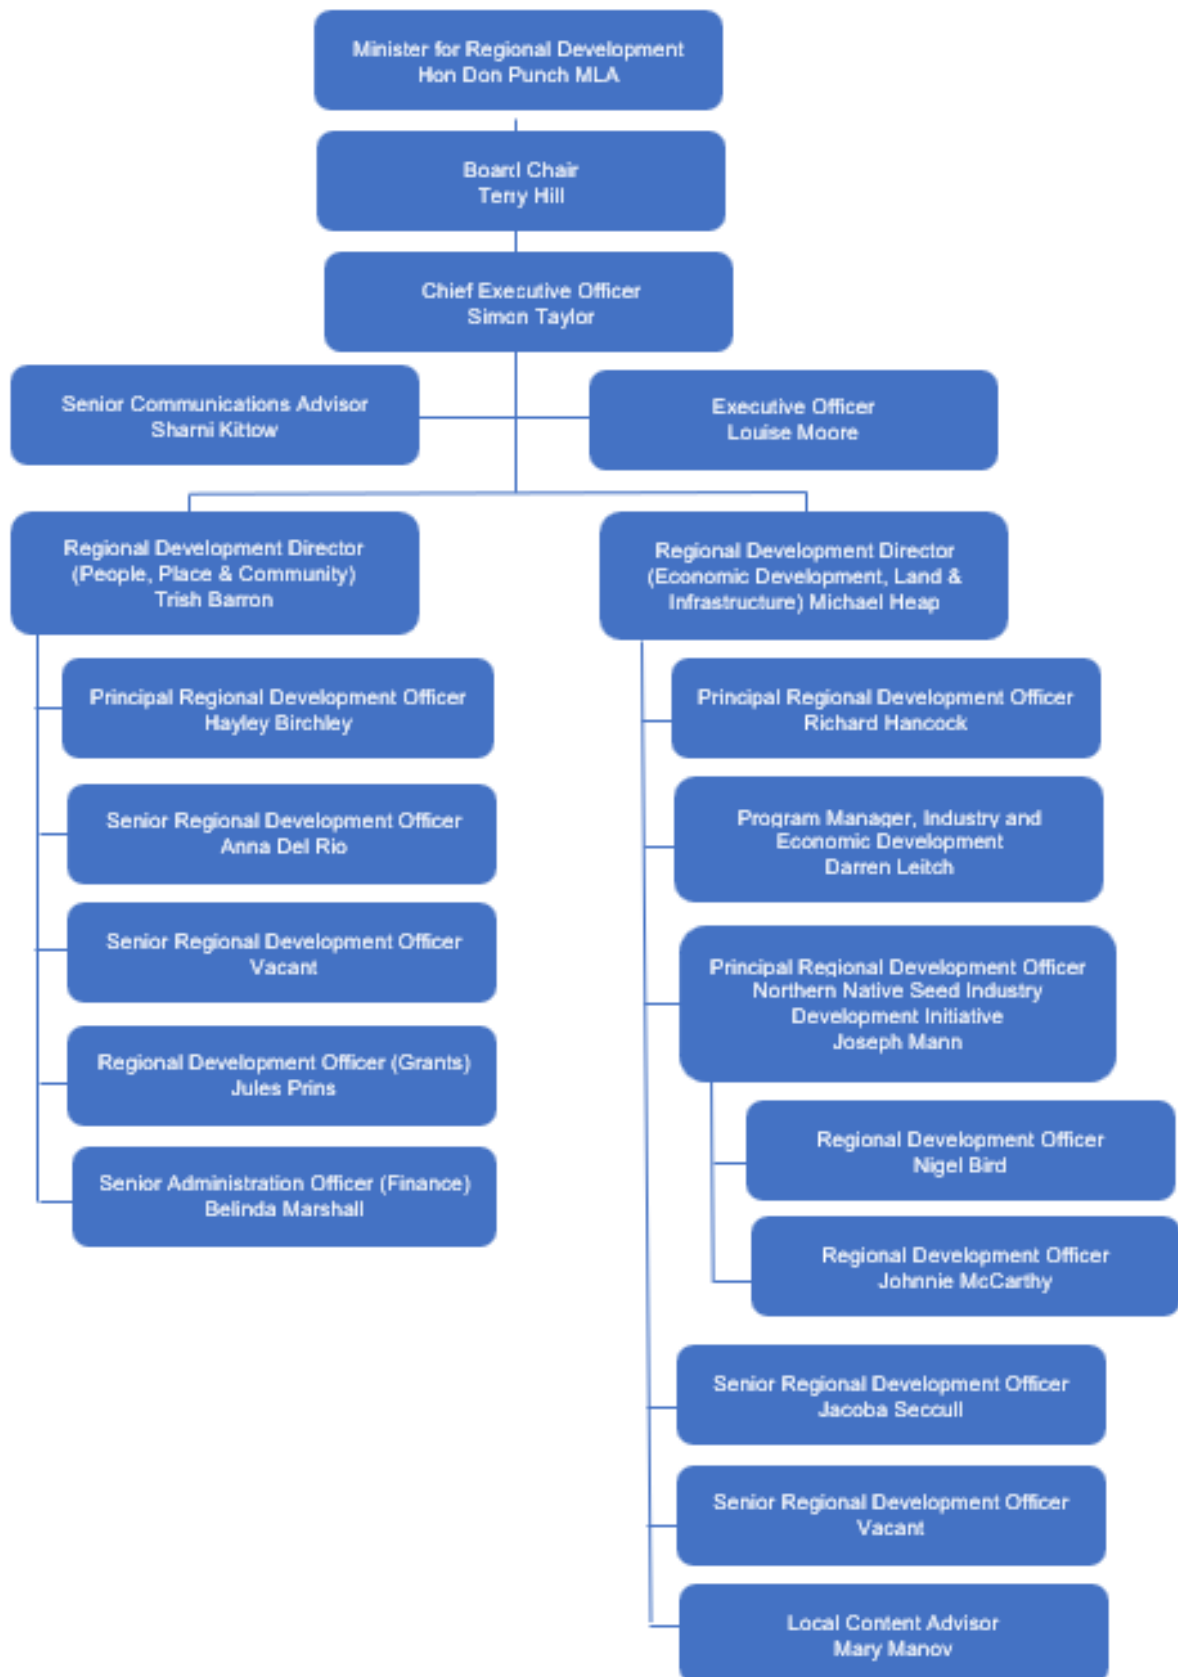

The Commission is governed by a Board of Management that meets regularly to consider matters of economic and social importance to the Pilbara, to formulate advice to the Minister on appropriate matters, to set policy directions for the Commission and to formulate budget priorities. The Board is comprised of six members and the Chief Executive Officer (CEO), who is a member of the Board by virtue of office. Under the RDC Act, the Minister is provided with the authority to appoint Board members, including the Chair, the Deputy Chair and the Chief Executive Officer (CEO) of the Commission, who is responsible for the day-to-day operations of the Commission.

With the exception of the CEO, all members are appointed for a period of up to three years and comprise one third of the members being residents of the Pilbara community, one third being nominated by Local Government and one third appointed at the Minister's discretion.

The Department of Primary Industries and Regional Development (DPIRD) supports the Commission and is the employing agency for staff working for the Commission and responsible to the CEO.

Functions Affecting Members of the Public

However, as part of its role as a facilitator and partner, the Commission leads and participates in various working groups and advisory committees.
